Call the Wildlife Information Service for a discussion of options  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Please note that we may not be able to provide information on the presence or location of some sensitive or protected species.

Date Information needed for \_\_\_/\_\_\_/\_\_\_

Note we would normally aim to complete reasonable requests for information products within 15 to 25 working days

**Terms and conditions:**

- The Information provided by the Environmental Records Centre for Cornwall and the Isles of Scilly (ERCCIS) may not be used for any other purpose than towards the research project stated above.
- Approval must be sought from ERCCIS if there is any intention to publish, sell, copy or pass on information to any third party.
- Permission to use the information expires after 6 months from receipt. Applications to extend information beyond this point must be made at least one month before the expiry date.
- ERCCIS reserves the right not to supply information to clients at its discretion.

I, the undersigned, have read and understood the above conditions and will abide by them. All information provided by me is correct to the best of my knowledge.

***The Environmental Records Centre for Cornwall and the Isles of Scilly requests that all biological and geological information collected relating to Cornwall or the Isles of Scilly is passed to ERCCIS. This helps to build an enhanced picture of biodiversity in the county and improve the service ERCCIS is able to provide in the future. Please call to discuss format of raw data that can be stored at ERCCIS. Copies of marked dissertations and reports can be stored at ERCCIS by prior arrangement.***
